

# Behavior Incident Report Item Counts Report Documentation

## Pyramid Model Implementation Data System

### Behavior Incident Report Item Counts Report

*[Type of item]*

**Total**

*The name of BIR Item*

*The total number of BIRs that are inside the reporting window formed by the start and end date that have this item selected*

**Criteria:** *The criteria used while generating this report.*

Page 1 of 1

**Generated:** *The date and time that the report was generated.*

**Intent:** This report allows analysis of the items on the Behavior Incident Reports by showing the count of the forms that fall between the selected start and end dates that have each item. The report is broken into several sections, based on the item type (problem behavior, activity, etc.)

#### Criteria:

Criteria Name	Optional?	Description
Start Date	No	This date forms the start date of the reporting window.
End Date	No	This date forms the end date of the reporting window.
Program(s)	No	Used to specify what programs should be included in the report results.
Classroom(s)	Yes	Used to specify what classrooms should be included in the report results.
